Ideal Lighting Playground:

Washes:

- Front wash, warm white, R05
- Front centre zone, light lavender, R54
- Top light, light orange, R303 or R318
- Top light, medium blue, R75 or R68
- Other colours as available: Bright pink, yellow, mint green

Specials:

- Downstage tips, covers 20' x 8 white, soft edge or R119 frost, cuts off scenery
- Front light centre spot, white, 6' circle, IQ preferred
- Sign/Piggyback, over stage, 12' wide with shutter cuts. R05
 - Top cut. 18" over top of bricks
 - Bottom cut, halfway up brickwork on flats
 - Stage right cut, 2' past end of flat
 - Stage left cut, flush with end of flat

Set Dec:

- 1 Circuit set to dim to scenery for washing machine effects, 2 outlets

Look 1: Preset

- Lavender fronts at 25%
- Washing machine on

Look 2: Full stage music number

- Bright and colourful, warm front light
- |

Look 3: Workroom

- Well lit, cool, industrial

Look 4: Puppet world

- Key light: Downstage white tips isolate from workroom in upstage
- Key light should not create shadows for main action
- Warm front light fill
- Light orange tops or Yellow
- Scenery should still look balanced, but not highlighted

A bright Sunny Day

Look 5: Night

Blue wash with centre cool front 20%

Look 6: Chocolate Love Dance

Work from look 4, Puppet world
Drop levels stage left and right

Look 7: Melanie Speech

Look 4 levels (puppet world) @ 50%
Sign/piggyback special
Front light at full in upstage left
Tips out

Look 8: Wall break

Downstage front light bright
piggyback/sign special (Brick wall lit)
