

Kwi'ah: The Girl Who Heals Streaming Guidelines

By participating in an Axis Theatre Company online program, you agree to the following:

- Running time: 40 minutes
- For best streaming quality it is recommended that your broadband internet connection should not be less than 15 mbps.
- Please view in a group setting ie. the classroom, gymnasium and/or other suitable locations. This is required to ensure that your school receives the best possible online experience with our film. Viewing on individual electronic devices severely impairs the quality of the experience.
- All performances and workshops delivered in school settings or children's homes, must take place in the presence of a person in position of authority: a teacher, principal, parent or organizer.
- The teacher, principal, or organizer is responsible for moderating the session. Please refer to the Study Guide or reach out to the staff at Axis Theatre <https://www.axistheatre.com/contact> with any questions that may arise.
- All content delivered in the film, including Intellectual Property of Designers, Playwright, Performers and Axis Theatre, is protected under Canada's Copyright Act. The reproduction of any material without prior permission of the artist(s) may fall into a violation of such law.
- Photos and recordings of the activity are not permitted. Our website <https://www.axistheatre.com/kwiah> offers photos and a promotional video that may be used.
- Please read the Letter of Agreement if you need to cancel.

Failure to comply with the terms and conditions as outlined in this Policy will result in removal from the virtual event. If you are removed from the event for failure to comply with any of the terms and conditions outlined in this Policy, NO REFUNDS WILL BE PROVIDED.
